

Instructions for installing a client-server application based on WCF for a ISD test

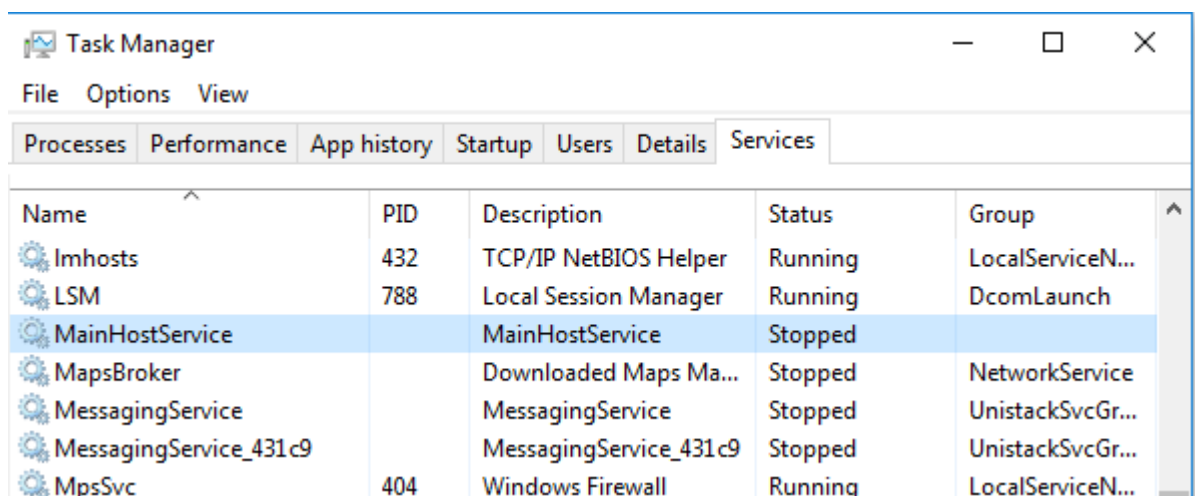

Server installing

The first step is to install the service. Use the installation file “Service.Host.Installer”, attached to the instructions.

	MainClient.Setup	29/06/2016 23:44	Windows Installer ...	755 KB
	Manual	24/06/2016 02:09	PDF File	332 KB
	Service.Host.Installer	30/06/2016 01:18	Windows Installer ...	600 KB

Run and follow the instructions. Upon completion of the installation is required to run the service.

To run the service restart your computer or run the service manually. Go to “Task Manager” in tab “Services”. In the list, locate our server “MainHostService” right-click it and press “Start”. All logs will be saved at “System32\winevt\Logs” in “MainServiceLog.log”.

Task Manager				
File Options View				
Processes Performance App history Startup Users Details Services				
Name	PID	Description	Status	Group
 Imhosts	432	TCP/IP NetBIOS Helper	Running	LocalServiceN...
 LSM	788	Local Session Manager	Running	DcomLaunch
 MainHostService		MainHostService	Stopped	
 MapsBroker		Downloaded Maps Ma...	Stopped	NetworkService
 MessagingService		MessagingService	Stopped	UnistackSvcGr...
 MessagingService_431c9		MessagingService_431c9	Stopped	UnistackSvcGr...
 MpsSvc	404	Windows Firewall	Running	LocalServiceN...

Client installing

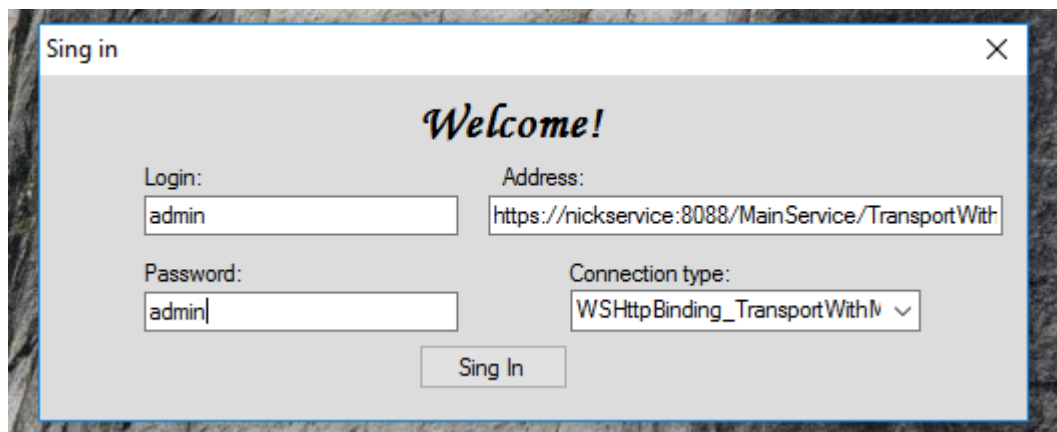

The second step is to install the client. Use the installation file “MainClient.Setup”, attached to the instructions.

Name	Date modified	Type	Size
	29/06/2016 23:44	Windows Installer ...	755 KB
	24/06/2016 02:09	PDF File	332 KB
	30/06/2016 01:18	Windows Installer ...	600 KB

Follow all instructions, chose a costume path for application directory. After completion of the installation run the application from shortcut on desktop

Finally, sing in with login: admin, password: admin, chosen IP address and connection type.

A 'Sing in' dialog box with a title bar containing the text 'Sing in' and a close button (X). The main area has a light gray background. At the top center, the word 'Welcome!' is written in a large, italicized, black serif font. Below this, there are four input fields arranged in two rows. The first row has a 'Login:' label followed by a text box containing 'admin', and an 'Address:' label followed by a text box containing 'https://nickservice:8088/MainService/TransportWith'. The second row has a 'Password:' label followed by a text box containing 'admin', and a 'Connection type:' label followed by a dropdown menu showing 'WSHttpBinding_TransportWithIV' and a downward arrow. At the bottom center, there is a button labeled 'Sing In'.
